

## **Office of Fraternity & Sorority Affairs Academic Policy**

The Office of Fraternity and Sorority Affairs expects fraternities and sororities to promote the academic achievement of its members. With this in mind the following academic policies must be followed:

### **General Information**

1. Each semester (fall and spring), the total chapter must achieve a 2.5 GPA.
2. Each semester (fall and spring), the new member class must achieve a 2.5 GPA.
3. The chapter GPA and new member class GPA computation is based upon the December and April Roster Updates. Once the roster update is completed, no changes will be made.

### **Academic Plan of Action**

1. Chapters (total chapter) that fail to achieve a 2.5 GPA will be placed on an Academic Plan of Action.
2. Chapters whose New Member class fails to achieve a 2.5 GPA will be placed on an Academic Plan of Action
3. An Academic Plan of Action lasts for one semester and consists of required chapter programming and a reduction of chapter activities. Failure to complete the Plan of Action provisions in a timely manner may result in a change of the chapter's recognition status.
4. If the chapter (total chapter) subsequently achieves a 2.5 GPA, the Academic Plan of Action will be lifted.

### **Academic Probation**

1. If the chapter (total chapter) fails to achieve a 2.5 GPA at the end of the Academic Plan of Action, the chapter will be placed on Academic Probation.
2. If the following New Member class fails to achieve a 2.5 GPA at the end of the Academic Plan of Action, the chapter will be placed on Academic Probation.
3. Academic Probation lasts for one semester and consists of a total cessation of chapter activities. Failure to abide by the terms of the Academic Probation may result in a change in the chapter's recognition status.
4. To be removed from Academic Probation, the chapter (total chapter) and the subsequent New Member class must achieve a 2.5 GPA.
5. Failure to achieve a 2.5 GPA (total chapter and/or the New Member class) will result in the loss of university recognition for a minimum of four academic years.
